## road **directions**

Our showroom in Coalville, Leicestershire is on the corner of Hotel Street & Whitwick Road.

The showroom is best found via the A511. Where the A511 bypasses Coalville the street name is Stephenson Way, follow the A511 along Stephenson way to the Whitwick Road roundabout (recognisable by the large Morrisons store in view).

Take the Whitwick Road exit off the roundabout (towards Morrisons) and stay on Whitwick Road for approx 1/4 mile until you see our forecourt on your right. Hotel Street is at the end of Whitwick Road, although our customer parking area is accessed from Whitwick Road.

The A511 is easy to get to from junction 22 of the M1 and/or junction 13 of the M42/A42.
